Portland, Oregon 97201-4987

**Re: Marine Terminal 1 South Site
Human Health and Ecological Baseline Risk Assessment
ECSI No. 2642**

Dear Mr. Struck:

The Port of Portland (Port) has prepared the Human Health and Ecological Baseline Risk Assessment Report for the Marine Terminal 1 (T1) South Site. The risk assessment was performed in accordance with the T1 South Risk Assessment Work Plan dated October 11, 2001, Oregon Department of Environmental Quality (DEQ) review comments on the T1 South Risk Assessment Work Plan dated October 25, 2001, the Port's response to DEQ comments dated November 12, 2001. Three copies of the draft T1 South Risk Assessment Report are submitted to DEQ for prompt review and approval.

Please contact me at (503) 944-7533 with any questions.

Sincerely,

Joe Mollusky
Environmental Project Manager
Property and Development Services
